

# Used Car Questionnaire

Use this form when used car shopping. Call seller before going to see the car and ask the questions below.

|  |                   |                               |   |                |
|--|-------------------|-------------------------------|---|----------------|
| Dealership/Name of Owner:                                    |                   |                               | Phone:                                  |                |
| <hr/>  |                   |                               | <hr/>                                   |                |
| Make/Model:  |                   | Year:                         | Mileage:                                | Why Low? High? |
| <hr/>  |                   | <hr/>                         | <hr/>                                   | <hr/>          |
| Exterior Color:  | Smog test needed? | Interior Color:               | Leather?                                | Cloth?         |
| <hr/>  | <hr/>             | <hr/>                         | <hr/>                                   | <hr/>          |
| Number of Doors:   | Engine:           | Transmission (Auto or Manual) | Is there a salvage title?               |                |
| <hr/>  | <hr/>             | <hr/>                         | <hr/>                                   |                |
| Why?   |                   | Do you have the title?        | Do you have all the records?            |                |
| <hr/>  |                   | <hr/>                         | <hr/>                                   |                |
| Are you the first owner?   Is it a trade in?   Lease return? |                   |                               |   |                |
| <hr/>  |                   |                               |   |                |
| Have there been any major repairs?                           |                   | If yes, what?                 |   |                |
| <hr/>  |                   | <hr/>                         |   |                |
| Has it been in an accident?                                  | Options/Add-ons:  |                               | Is there anything else I need to know?: |                |
| <hr/>  | <hr/>             |                               | <hr/>                                   |                |
| Special Notes:   |                   |                               | Asking price:                           |                |
| <hr/>  |                   |                               | \$ <hr/>                                |                |
